## HISTORY OF DEMOCRACY IN THE UNITED STATES.

By the Author of the Republic of the  
United States.

THIS important work is now in press, the first  
volume of which will be issued early in the  
autumn of 1854.

The publication of this work will be continued  
by the subscribers; and in due time they will pub-  
lish in the several States a complete set of agents,  
which will be prepared to furnish copies promptly  
in every part of the Union.

That the author may have ample time to prepare  
his work according to his views, and to enable him  
to publish the work in the most complete and satis-  
fying manner, he is enabled to issue the  
numbers with promptness and at stated periods,  
thereby protecting the interest of his agents, the  
following arrangement of the work, and the number  
of copies which will be prepared to furnish copies  
in every part of the Union.

That the author may have ample time to prepare  
his work according to his views, and to enable him  
to publish the work in the most complete and satis-  
fying manner, he is enabled to issue the  
numbers with promptness and at stated periods,  
thereby protecting the interest of his agents, the  
following arrangement of the work, and the number  
of copies which will be prepared to furnish copies  
in every part of the Union.

The numbers will then be issued monthly, with-  
out interruption, to the end. Those who prefer  
the volume bound will be accommodated without  
extra charge for binding; and the numbers already  
published, from one to five, will be taken in part,  
if not injured, at their full cost to subscribers.

In announcing this unavoidable delay for a few  
months, the publishers are not unmindful of the  
fact that the work is not only a valuable one, but  
that the necessity of accommodating the au-  
thor, whose labors are incessant, will appear obvi-  
ous to all without partiality.

ings, &c., &c., in the most elegant styles of  
fashion from the New York market.

Having had twenty years' experience in the  
purchase of goods from the best importing houses  
in the United States, and having a large stock  
of goods, he is enabled to offer them to the public  
at such terms as will give entire satisfaction to the  
purchaser, and in view of increasing his business,  
he has purchased a large stock of goods, and  
will sell at much less price than work made to order.

**TO CONSUMERS OF GAS.**  
**KIDDER'S GAS REGULATOR**—E. M.  
KIDDER, sole agent for the city and  
Georgetown, respectfully calls the attention of  
consumers of gas to the following certificates.  
This article can be seen at W. B. Rother's store,  
in Hall, where orders may be left. Also at  
J. Buckley & Co's store, in Georgetown.  
Washington, March 14, 1854.

I have been using Kidder's Gas Regulators in my  
billiard-room, at the northeast corner of Penn-  
sylvania avenue and Thirtieth street, and also  
in my house, next door to the Union printing of-  
fice. The Regulator has been in use for several  
months, and I have saved in money twenty-five  
per cent. over the amount paid for the same time  
last year, and believe my light is quite as good as  
before using it, and do feel confident that it is a  
decided saving to the consumers of gas.
